

Terms and Conditions

The following presents Nuvolat Cloud Group, Inc.'s ("Nuvolat") standard terms and conditions ("Terms and Conditions") applicable to the sale of its products and services ("Products and Services"). When used in these Terms and Conditions, "You" and "Your" refer to the individual entering into this agreement (when entering into this agreement on behalf of yourself) or the entity entering into this agreement (when entering into this agreement as an authorized representative on behalf of such entity).

1 Entire Agreement; Acceptance; Order of Precedence; Revocation

These Terms and Conditions apply to any offer, order form, quote, bid or proposal ("Offer") issued by Nuvolat to You concerning the provision of Nuvolat's Products and Services. You may accept an Offer by executing a copy of the Offer and returning it to Nuvolat by email, facsimile or courier or by clicking the "I ACCEPT" box in the order portal if the Offer is in click-through form. Upon acceptance of an Offer by You, the terms of the Offer, together with any applicable end-user license agreement ("EULA") and these Terms and Conditions together become and constitute a binding agreement ("Agreement") between You and Nuvolat. Unless otherwise provided in the Offer, in the event of a conflict between these Terms and Conditions, the EULA and the Offer, the Offer shall prevail over the EULA which shall prevail over these Terms and Conditions. Prior to final acceptance by You, the Offer is revocable by Nuvolat.

2 The Products and Services

The Products and Services for each Agreement shall be identified in the Offer.

3 Price and Payment

3.1 All prices quoted in the Offer are exclusive of sales taxes, value-added taxes, duties (including import duties), charges, levies, assessments and all other taxes and fees of any kind arising from Your purchase, import or export of the Products and Services (hereinafter, "Taxes"). Payment of all Taxes shall be Your sole responsibility. You agree to reimburse Nuvolat for, and to indemnify and hold Nuvolat harmless from, any such Taxes. Nuvolat will invoice You in the event it is charged for any Taxes, and You shall pay any such invoice for Taxes in the same manner as all other invoices for Products and Services under Section 3.2.

3.2 Prices will be fixed during the Initial Term of the Agreement. Nuvolat will have the right to adjust its prices at renewal to then applicable service pricing.

3.3 Payment terms are within Nuvolat's sole discretion. The license costs, setup fees, hardware costs, monthly recurring costs (excluding usage costs) or any other one-off items shall be invoiced in advance. Usage costs will be invoiced at month end. Invoices for Products and Services are due and payable upon receipt of Nuvolat's invoice. In case payment is not received within twenty (20) days after the invoice date, the outstanding amount shall be increased automatically and without prior notice of default by an interest rate of two percent (2%) per month or the highest rate allowed by relevant law if less, until the outstanding amount is paid. If full payment is not received in timely fashion, Nuvolat shall have the right, in addition to any other rights it may have at law, in equity or as agreed between both parties, to (i) terminate the Agreement, (ii) cease the production or shipping of any other Products ordered by You, and/or (iii) suspend one or more of the Services for which the payment is due until such time as the payment due is received by Nuvolat in full ("Suspension Period"). Nuvolat shall be held harmless and shall be indemnified by You against any costs, fees, expenses or claims arising from or related to Nuvolat's exercise of its rights and remedies under this Section.

3.4 If You dispute an invoice, You will provide Nuvolat with a notification specifying the nature of the dispute and the amount involved and pay Nuvolat the undisputed portion of the invoice within twenty (20) days after the invoice date. Invoice dispute notifications must be sent by You to Nuvolat within not more than twenty (20) days after invoice date

by registered letter to the address of Nuvolat's Pennsylvania office at 606 Liberby Ave 3rd Floor, Pittsburgh, PA, 15222 to the attention of the accounting department. If not received by such time, all invoices will be deemed accepted by You. If any withheld amount is later found to be payable to Nuvolat, You shall pay such amount plus interest pursuant to Section 3.2.

3.5 Notwithstanding delivery of and passing of risk in the Products, title to the Products shall not pass to You until final and full payment of the applicable fee(s) in cleared funds by You to Nuvolat, including any additional charges, interest, Taxes and costs.

Notwithstanding the foregoing, the parties acknowledge and agree that Nuvolat's sole liability and Your sole remedy for any breach of any warranty described herein is expressly limited to a credit of the fee paid by You to Nuvolat for the relevant Products under warranty. Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some or all of the above exclusions or limitations may not apply to You, and You may have additional rights. In such jurisdictions, Nuvolat's liability is limited to the greatest extent permitted by law.

11.2 You shall indemnify and hold Nuvolat harmless from and against all claims, causes of actions, expenses, costs and fees (including attorney fees) that Nuvolat incurs as a result of Your breach of the Agreement.

You agree to inform Nuvolat immediately of any infringement of any of Nuvolat's intellectual property rights of which You may become aware.

13 No Control

You acknowledge that Nuvolat does not own or have any control over the content, availability, accuracy or any other aspect of any information, data, files, pictures or content in any form or any type ("Content") made accessible or available by or to You or Your End Users through the use of the Products and Services. Nuvolat does not monitor the use of the Products and Services by You or Your End Users except as provided in the Agreement. You shall indemnify, defend and reimburse Nuvolat for, and hold Nuvolat harmless from, any and all claims or lawsuits of any person and resulting costs (including reasonable attorney's fees),

damages, losses, consequences, awards and judgments: (a) based on the use by You or any third party of Content retrieved from or produced by the Products or Services, or (b) based on injury to any person or property attributable in whole or in part, directly or indirectly, to any operation, function or malfunction of the Products or Services or any part thereof.

14 Miscellaneous

- 14.1** Nuvolat shall not be held liable or responsible for any delay or failure by Nuvolat to comply with the Agreement occasioned by any cause beyond its reasonable control, including but not limited to transportation delays, Acts of God, earthquake, fire, flood, accident, strike, lockout, war, riot, civil unrest, martial law, embargo, excessive demand, government regulations or any other cause or circumstance which prevents or hinders Nuvolat's performance.
- 14.2** The delay or failure by either party to exercise or enforce any of its rights under the Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. No amendment or waiver of any provision of the Agreement shall be effective, unless it is in writing and is signed by both parties.
- 14.3** If any provision of the Agreement, including these Terms and Conditions, is held to be void, the remaining provisions shall remain valid and shall be construed in such a manner as to achieve their original purposes in full compliance with the applicable laws and regulations.
- 14.4** The Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective, permitted successors. Nuvolat may assign the Agreement in its sole discretion, and You shall be provided notice of such assignment thereafter. The Agreement is personal to You and, accordingly, shall not be assigned by You without the prior written consent of Nuvolat, which Nuvolat may withhold for any reason. An assignee of either party authorized hereunder shall be bound by all the terms of the Agreement and shall have all of the rights and obligations of the assigning party set forth therein. The provisions contained the Agreement are for the sole benefit of the parties to the Agreement.
- 14.5** Your relationship with Nuvolat is that of an independent End User or reseller of the Products and Services. Your relationship with Nuvolat shall not be interpreted to mean that the parties have agreed to form a company, an association or a joint venture.

15 Governing Law; Dispute Resolution

All disputes arising out of or in connection with the Agreement, or in respect of any defined legal relationship associated therewith or derived therefrom, shall be resolved by binding arbitration conducted in English in Allegheny County, Pennsylvania. The arbitration shall be before a single arbitrator selected by Nuvolat and approved by You, and it shall be administered by JAMS pursuant to JAMS' Streamlined Arbitration Rules and Procedures. Each party will bear its own costs and expenses except that the arbitrator may, in the award, allocate all or part of the costs of the arbitration, including the fees of the arbitrator and the reasonable attorneys' fees, to the prevailing party. The arbitration, along with all filings and decisions, will be confidential except as necessary to enforce the award. Nothing in this Section will prevent the parties from moving for equitable relief, but the parties agree to submit to the jurisdiction of the state and federal courts with jurisdiction over Allegheny County, Pennsylvania for all claims involving equitable relief. The parties agree that the U.N. Convention on Contracts for the International Sale of Goods shall not govern the terms, interpretation or enforcement of the Agreement.
